Building land Brtonigla

Brtonigla, Brtonigla

101.250 EUR

 675 m²

 Ne

DESCRIPTION

Building land with an area of 675 m² located in Brtonigla presents an excellent opportunity for investors and future property owners. The land is situated in an attractive location, and its building designation allows for various development possibilities according to the needs of buyers.

The plot is regularly shaped and provides optimal conditions for construction, which further increases its value. The size of the land allows flexibility in planning future buildings, offering potential for the realization of different projects in accordance with the applicable spatial planning documentation.

Considering the building designation and the location in Brtonigla, the land is suitable for the construction of residential buildings or other facilities permitted by the spatial planning documentation, depending on the needs and interests of investors.

The land zoning clearly defines its purpose and ensures security in planning further development. Purchasing this plot represents a favorable investment due to the extremely competitive price compared to similar offers on the market.

We invite you to take advantage of this opportunity and explore in more detail the potential of the land in Brtonigla. The size, location, and favorable price make this property extremely attractive for various purposes and investment plans.
