DESCRIPTION

For sale is a semi-detached house with an area of 91 m², located in Kaštel near Umag, only 4 km from the Slovenian border.

This modern property is situated on a 330 m² plot, offering an ideal combination of contemporary construction and a favorable location.

Construction start 2025/2026

The house features three west-facing bedrooms, allowing plenty of natural light in the afternoon. The space is thoughtfully designed to ensure functionality and comfort, with the added value of a balcony where you can enjoy sunny days. A practical storage/utility room provides additional storage space.

It is equipped with a heat pump for efficient heating, one air conditioning unit per floor, while the parking area ensures easy and secure vehicle parking. Air conditioning can be installed in all rooms for an additional charge.

The location is a significant advantage – the house is situated in a very sunny and quiet position in Kaštel, providing a pleasant living environment. The proximity to all essential amenities makes this property extremely attractive for families as well as investors seeking long-term value.

NOTE: The house roof will be pitched, not flat as shown in the picture, and the pool is not included in the price. The pool can be built in agreement with the investors.
